

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 2000 - HB 1939

March 12, 2014

SUMMARY OF ORIGINAL BILL: Creates additional requirements for certain authorized dispensers of opioids and benzodiazepines. Prior to dispensing, an authorized dispenser shall require the recipient to present a suitable form of identification. If the recipient is paying in cash or money order, the recipient must provide a signature. A licensed pharmacist may only dispense and mail or deliver a valid prescription for opioid or benzodiazepine if the signature of the recipient is obtained at the time of actual delivery. This act shall not:

- Require the same person taking possession of the opioid or benzodiazepine to be the same person for whom the prescription is written;
- Apply to opioids or benzodiazepines dispensed by a licensed veterinarian for non-human patients;
- Apply to drug samples dispensed by a health care prescriber; or
- Apply to opioids or benzodiazepines dispensed to
 - Inpatients of a hospital;
 - Outpatients of hospital where the authorized prescriber writes the order into the patient's medical record and the prescription drug order is given directly to the hospital pharmacy for dispensing;
 - Residents of a nursing home or an assisted care living facility;
 - Inpatients or residents of a mental health hospital or residential facility;
 - A DEA-registered drug treatment program; or

Individuals incarcerated in a local, state or federal correctional facility.
